## ALSOMAC COLOR SORTING MACHINE

# NEW MODEL AZ-SERIES

## —MIGHTY SORTER—

### Multipurpose Machine

-AZ can sort many kinds of grains, not only rice,

but also sesame, bean, seed, and so on.

-It is because of its simple and flexible design and mechanism.

### Easy Operation

-Touch Panel offers easy operation.

### Free Mode

-In addition to the four standard modes, you can also

customize your machine by selecting white/black sensitivity and

the on/off switch of each individual lamp.

### Setting Memory

-22 setting memories can be saved/loaded for quick parameter

change.

### Feeding Control System

-Feeder starts vibrating gradually after wiper operates,

and feeds grain continuously at unchangeable amount.
